

BATathMAN frame # 001
camera facing east

Terrain
above tunnel

fences

east-tunnel

lichtmast

BATathMAN frame # 046, camera zooms back to tunnel-end,
there is space to move, the floor is visible

fences

This footage can be viewed at:
<https://www.youtube.com/watch?v=dDG6LaxCads>
filmed by BATathMAN at 17h00m21s 24/7/10
length: 01m05s

Terrain
above tunnel

BATathMAN frame #103
camera switches angle
to crowd waiting at tunnel-end,
there is space to move, the floor is visible

Rampe

container

fences

BATathMAN frame # 239
(camera facing west)
The audience is waiting,
no visible panic,
there seems to be
space to walk

Stairs

BATathMAN frame #537
(camera facing north-west)
Cameraman is leaving in the
direction of the "kleine Rampe".
There is enough space to walk,
no congestion. The cameraman
circles 360° while filming: it is
clear there is enough space,
and no panic.

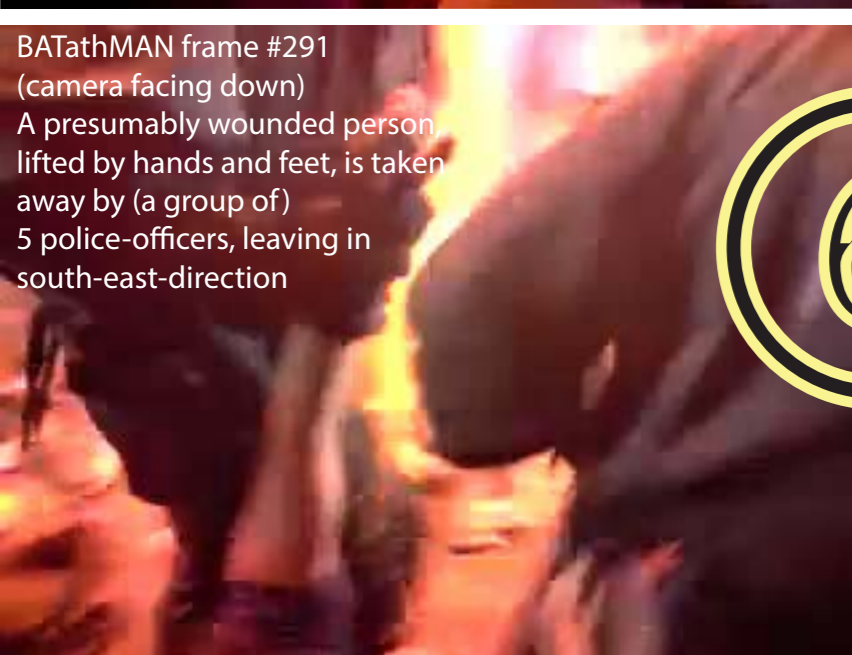

BATathMAN frame #264
(camera facing south-west)
A ("our") Schupo is inside the
tunnel, talking (?) to waiting
audience (?) for a short while

Terrain
above tunnel

west-tunnel
part 1

BATathMAN frame #776
(camera facing south)
Cameraman arrives at the "kleine Rampe".
Enough space to walk, no panic.

BATathMAN frame #291
(camera facing down)
A presumably wounded person,
lifted by hands and feet, is taken
away by (a group of)
5 police-officers, leaving in
south-east-direction

BATathMAN frame #918
(camera facing north)
At the "kleine Rampe"
is enough space, no panic.

'kleine Rampe'

Legenda:

-  —  = corresponds with Frame and camera-angle
-  = corresponds with camera-position and direction
- = corresponds with camera-path

west-tunnel
part 2

BATathMAN frame # 956 - (end: frame #978)
(camera facing east)
There is no panic,
no congestion in the West-tunnel.
Hilfe-screams have been audible
in the area closer to the Stairs.
